PHOTODUPLICATION SERVICE CHARGES

We recently reviewed the procedures in our Photoduplication Section. As a result of this review, several changes have been made.

1. Request Forms. The NAL Request for Photoduplication form should no longer be used by libraries requesting items from us. Instead, requests from libraries should be submitted on the American Library Association Interlibrary Loan Request form.
2. Coupons. NAL coupons will no longer be issued. Coupons on hand may be sent with orders until further notice. If coupons are sent and a request cannot be filled, a credit memo will be issued. No coupons will be returned.

Alternatively, coupons on hand may be redeemed for cash. A request for redemption accompanied by the coupons should be sent to USDA/SEA/TIS, Photoduplication Section, National Agricultural Library Building, Beltsville, Maryland 20705.

3. Billing. A bill will be sent for any photocopy which we supply. The billing will be sent separately from the photocopy. Bills will be issued by the USDA/SEA, Financial Management Division, South Building, Room 6017, Washington, D.C. 20250.

3. Delivery and Returns: All loans will be sent first class and should be returned in the same manner. The borrowing library is responsible from the moment of dispatch for any loss or damage incurred.

Periodicals. Periodicals and other non-circulating materials are not available for loan but may be used in NAL or in its designated reading rooms in the Washington, D.C. area.

Requestors not in one of the above categories may purchase reproductions of journal articles, technical papers, reports, etc., in the NAL collection as outlined below:

1. Form: Please use USDA Request for Photocopying forms (LF-607). These forms are available from NAL upon request. Use one for each citation. Requests should be as complete as possible with a minimum of abbreviation. Indicate whether xerographic copy or microfilm is desired and sign each order form. If an alternate form is used, please send in triplicate.
